TO : MEMORANDUM FOR THE RECORD

DATE: 29 June 1953

FROM : Office of General Counsel

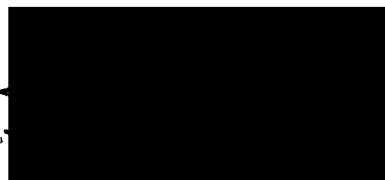

SUBJECT: Action taken on memorandum for D/DA from DADCO, subject, "Recreational Facilities", undated.

**OGC HAS REVIEWED.**

25X1A 1. On 25 June 1953 I received the referenced memorandum from [REDACTED] for preparation of the comment of this office. After some discussion with him, it was decided that any action taken at this time would be premature. This for the reason that the referenced memorandum, while recommending the establishment of recreational facilities on [REDACTED], did not specify either the reasons for the recommendations or the facilities for which a requested \$2,000.00 would be spent. 25X1A

2. Accordingly, on 26 June 1953, I called Mr. R. D. Lehman, DADCO, told him of our position in the matter and suggested that further information in justification of the memorandum be forthcoming. He was agreeable to this suggestion and requested that, rather than sending the memorandum forward with a nonconcurrence by this office, we return it to him for expansion. The referenced memorandum was returned on this same date.
